STATEMENT OF MISSION

FREE INQUIRY in CREATIVE SOCIOLOGY: Sociologists convey discoveries, ideas & research findings to students, colleagues and lay readers interested in social processes. Policy objectives are: readability, creativity, diversity, compactness, and economy.

READABILITY demands persuasive, interesting and lucid writing understandable to the literate lay person. It is lively enough to sustain interest, and sufficiently supported with evidence and logic to convince the skeptical reader.

CREATIVITY demands inventive, innovative and venturesome approaches to problems, propositions, questions, structures, data sets, theory, and social phenomena. Strange creatures are welcome if their outlines are clear. No gaseous nor dusty nebulae.

DIVERSITY calls for a persistent spread of materials in all areas of sociology, giving voice to all fields, positions, and technologies. We encourage sociologists in micro-, mezzo-, and macro-sociology with 24 articles in at least 8 fields in each issue. Cross-cultural studies are most welcome. Foreign authors welcome.

COMPACTNESS demands parsimony of style and format. Printed articles are short, compressed editorially, and shorn of abstracts and summaries. No reviews, letters, or verbal vendettas.

ECONOMY demands a rich product at least cost, with thin margins, small print, Same subscription rate of \$10. to libraries, institutions and individuals. Manuscript processing fee is \$20.
