

SOCIAL SECURITY

Just how strong our art and literature parents make our society? Can our private health insurance afford our social security programs? Is your lover going to give you AIDS?

The complexity of sociology and the policy sciences is reflected in Sociological Abstracts' family of databases. With our eclectic classification system, encompassing both broad and

highly specialized fields, SA and SOPODA are the only comprehensive

sources of information about how our global society works. Or doesn't.

Grab On.

Get a handle on over forty years of succinct, expertly prepared abstracts drawn from more than 2,000 core and discipline-related periodicals, as well as selected books, conference papers, book and other media reviews, and relevant dissertations published worldwide.

Search Methods

There's the best way to find books and books periodicals, books and book reviews, journals, and articles. All our databases are available in three convenient media

designed to complement your research requirements and fit your budget - print, online, and CD-ROM.

And now the full text of journal articles and other material cited in the databases is rapidly available from SOCIOLOGY*Express, our new document delivery service.

Threaded Together.

Find out for yourself why SA and SOPODA

continue to be the databases of choice for authoritative coverage of sociology and the related social sciences.
