**STATEMENT OF MISSION**

**FREE INQUIRY IN CREATIVE SOCIOLOGY:** Sociologists convey discoveries, ideas and research findings to students, colleagues and lay readers interested in social processes. Policy objectives: readability, creativity, diversity; economize space and costs.

**READABILITY** demands persuasive, interesting & lucid writing understandable to the literate lay person. It is lively enough to sustain interest & sufficiently supported with evidence & logic to convince the skeptical reader.

**CREATIVITY** demands inventive, innovative and venturesome approaches to problems, propositions, questions, structures, data sets, theory, and social phenomena. Strange creatures are welcome if their outlines are clear.

**DIVERSITY** calls for a persistent spread of materials in all areas of sociology, giving voice to all fields, positions and technologies. We encourage sociologists in micro-, meso-, and macro-sociology. Cross-cultural studies and manuscripts from foreign authors are most welcome.

**ECONOMY** demands a rich product at least cost, with thin margins, small print.
