**STATEMENT OF MISSION**

**FREE INQUIRY IN CREATIVE SOCIOLOGY:** Sociologists convey discoveries, ideas and research findings to students, colleagues and lay readers interested in social processes. Policy objectives: readability, creativity, diversity; economize space and costs.

**READABILITY** demands persuasive, interesting and lucid writing understandable to the literate lay person. It is lively enough to sustain interest and sufficiently supported with evidence and logic to convince the skeptical reader.

**CREATIVITY** demands inventive, innovative and venturesome approaches to problems, propositions, questions, structures, data sets, theory, and social phenomena. Strange creatures are welcome if their outlines are clear.

**DIVERSITY** calls for a persistent spread of materials in all areas of sociology, giving voice to all fields, positions and technologies. We encourage sociologists in micro-, meso-, and macro-sociology. Cross-cultural studies and manuscripts from foreign authors are most welcome.

**ECONOMY** demands a rich product at least cost, with thin margins, small print.
