STATEMENT OF MISSION

FREE INQUIRY IN CREATIVE SOCIOLOGY: Sociologists convey discoveries, ideas and research findings to students, colleagues and lay readers interested in social processes. Policy objectives: readability, creativity, diversity; economize space and costs.

READABILITY demands persuasive, interesting & lucid writing understandable to the literate lay person. It is lively enough to sustain interest & sufficiently supported with evidence & logic to convince the skeptical reader.

CREATIVITY demands inventive, innovative and venturesome approaches to problems, propositions, questions, structures, data sets, theory, and social phenomena. Strange creatures are welcome if their outlines clear.

DIVERSITY calls for a persistent spread of materials in all areas of sociology, giving voice to all fields, positions and technologies. We encourage sociologists in micro-, meso-, and macro-sociology. Cross-cultural studies and manuscripts from foreign authors are most welcome.

ECONOMY demands a rich product at least cost, with thin margins, small print.
