

Henry W. Hooper**1904-1968**

Henry W. Hooper, popular high school chemistry teacher, died at Midland, Texas, 29 November 1968. Mr. Hooper was born in Dougherty, Oklahoma (then Indian Territory), 24 September 1904. He received his bachelor's and master's degrees from the University of Michigan, and taught in Oklahoma, mostly in Oklahoma City, until he moved to Midland, Texas in 1954, where he taught at Lee High School.

In 1957 Hooper organized the Chemistry Demonstration Club, and later published an article about it in the *Journal of Chemical Education*. He was a past president of the Midland County Teachers Association and one of the finalists for the title of Outstanding Chemistry Teacher in Texas.

Mr. Hooper is survived by his widow, Ruth, a daughter, Mrs. H. T. Russell of Nacogdoches, Texas, and six sisters. —George J. Goodman.
