Upon the completion of Volume 54 of Proceedings of the Oklahoma Academy of Science, Dr. Florene Kelly tendered her resignation from the editorial board. I lost the opportunity to work with a beautiful lady; the Academy lost a scholar. If Proceedings has become a Journal that finds favor among the Academy membership, then the credit is largely due to her guiding genius and unflagging energy. On behalf of the membership, I thank Dr. Florene Kelly for her contributions to the Academy and wish her well in her new career.

The services of Dr. Ralph E. Olson on the editorial board are gratefully acknowledged. Dr. Olson resigned to pursue studies in Germany.

The Editors gratefully acknowledge the assistance given by reviewers of the papers which were submitted for this volume.
