
Letter to the Editor

Letters to the Editor are always welcomed. The Editor and the Editorial Staff acknowledged an error on a print copy of a manuscript published in the 2009 POAS journal. On page 87 of the POAS the title and author have a misprint for the cited manuscript. The Editor apologizes for this error. The correct title and author should read: Identification and Enantiomeric Separation of (+)- and (-)-(E)-3-[5-(2,4-Diaminopyrimidin-

5ylmethyl)-2,3-dimethoxyphenyl]-1(1-propyl-1H-phthalazin-2-yl)propanone by Supercritical Fluid Chromatography (authors) Richard S. Bunce and K. Darrell Berlin (Oklahoma State University, Department of Chemistry) and Christina R. Bourne, Philip C. Bourne, Ester W. Barrow, and William W. Barrow (Oklahoma State University, Department of Veterinary Pathology). Thank you!
