### DID YOU KNOW?

A resident of “Veterans Village” at Oklahoma A&M College (now Oklahoma State University) hangs laundry in early 1947 as her son plays with the family dog. With over 4500 residents, the Village became the largest married student housing project for veterans in the United States. The Village had its own mayor and city council and elected Mrs. William E. Butler as its first councilwoman in 1950.
